

VIPS celebrating 25 years of fineness in education

A quarter of a century ago, destiny ordained under a silver oak tree at 'Advait Ashram' in Mayawati in Pithoragrah district of Uttarakhand as Swami Jitatmananda in the balmy aroma of the dense pine and fir forest gave a diktat to set up an institute in the national capital, in the name of Swami Vivekananda, a prophet and a path finder. Vivekananda Institute of Professional Studies (VIPS) – Technical Campus (TC) in the past 25 years has come to uphold Swami Vivekananda's ideals of education - man-making, life giving and character-building.

Life at VIPS-TC is about being part of a campus which is led by master mentors, made vibrant by a robust faculty and enlivened by spirited students. The pedagogy followed here is to encourage young minds to share ideas and hone their inherent skills under the tutelage of modern age gurus.

VIPS-TC is a leading college for disciplines like Law, Mass Communication, IT, Business Studies, Economics, English, Engineering & Technology and Management. In today's dynamic world, hands-on learning is not just a preference but a necessity. At VIPS-TC, education transcends the confines of traditional classrooms, encouraging students to step out of their comfort zones and execute tasks as they would in real-world professional scenarios.
