Scope of the Journal

ISSN: 1750-4090 (Print), ISSN: 1750-4104 (Online)

IJTP provides a forum for scholars and policy makers to exchange views and ideas at an international level on key issues that shape the growth of today's tourism industry. IJTP takes the view that tourism activity takes place within a socio-cultural, political, economic and environmental context. Therefore, groups involved with tourism need to be sensitive to emerging issues which may affect the industry and future policy-making.

Contents:

IJTP publishes theoretical papers, empirical papers, policy-related papers, case studies and book reviews. Special issues of the journal will also be produced in which selected papers from tourism conferences will be published.

Topics covered include:

- Advances in tourism policy-making
- Tourism development and planning
- Public administration of tourism development
- Local government role and responses to tourism development
- European Union policies in tourism
- Tourism education and its role in managing tourism development
- Tourism research and methodology
- Terrorism, safety and security in tourism
- Economic/social/environmental/cultural impact of tourism
- Cross-cultural differences
- Sustainable tourism
- Alternative and special forms of tourism
- Industry's role in managing growth
- Future of tourism
- Globalisation and tourism
