

An aerial photograph of a festival site. In the foreground, a large, colorful, multi-faceted tent structure with a central spire is visible. The tent is made of various colored panels in shades of blue, red, yellow, and green. Below the tent, there are several smaller, dome-shaped structures. In the middle ground, a sandy beach area is crowded with people. A long wooden pier extends into a large, clear blue lake. In the background, a large sand dune rises, dotted with small trees. The overall scene is vibrant and festive.
